Ministry Site Profile

President Carol Powers encouraged the members of the Church Council
read and review the Ministry Site Profile (MSP) working document
provided by the ALIVE Team within the next week, in order that it can be
discussed at the Tuesday 2/23 meeting.

The Church Council went through a list of information still needed for the
MSP, providing information that they could and reviewing information that
was provided from other individuals and ministry groups.

Pastor Kim noted some highlights and challenges of the MSP working
document, especially noting items that may be of interest to potential
Senior Pastor candidates.

Pastor Mike “prayed us out.”

Respectfully submitted,

Troy Kehm-Goins
